Preamble

The following policies are in accordance with the Unifor Local 594 Local By-Laws. The Policies will establish the protocol for the proper operation of the Local Union. It will also establish accountability with regards to the expenditures of Union's money.

Policy 1: Expenditures for Union Business

1.01.01

This Policy is in accordance with Article 8 of the Local By-Laws.

1.02.01

It is recognized that there are expenditures that occur in doing the business of the Union. This Policy will set out some guidelines in dealing with the expenditures for the everyday operation of the Union Hall.

1.03.01

The Union requires the payment of bills in keeping the Union Hall. Bills are , but not limited to, utility bills, phone bills, yard care, etc. Authorizations for payments are in accordance with this provision.

1.04.01

The Union owns laptops and computers and requires software to protect and maintain these computers. Expenses for the maintenance of the computers are covered under this provision.

1.05.01

Office supplies and consumables are required to properly perform union duties. The purchase of office supplies on an ongoing basis will be covered under this provision.

1.06.01

1.07.01
